## CDSI HOLDINGS INC.

### NOTES TO CONDENSED FINANCIAL STATEMENTS (Unaudited)

#### (1) Business and Organization

CDSI Holdings Inc. (the “Company” or “CDSI”) was incorporated in Delaware on December 29, 1993 and is a shell company as defined in Rule 12b-2 of the Securities Exchange Act of 1934. On January 12, 1999, the Company’s stockholders voted to change the corporate name of the Company from PC411, Inc. to CDSI Holdings Inc. Prior to May 1998, the Company’s principal business was an on-line electronic delivery information service that transmitted name, address, telephone number and other related information digitally to users of personal computers (the “PC411 Service”). In May 1998, the Company acquired Controlled Distribution Systems, Inc. (“CDS”), a company engaged in the marketing and leasing of an inventory control system for tobacco products. In February 2000, CDSI announced CDS will no longer actively engage in the business of marketing and leasing the inventory control system. In November 2003, the Company and its wholly-owned subsidiary CDS merged with the Company as the surviving corporation.

At June 30, 2010, the Company had an accumulated deficit of \$8,281,550. The Company has reported an operating loss in each of its fiscal quarters since inception and it expects to continue to incur operating losses in the immediate future. The Company has reduced operating expenses and is seeking acquisition and investment opportunities. There is a risk the Company will continue to incur operating losses.

CDSI intends to seek new business opportunities. As CDSI has only limited cash resources, CDSI’s ability to complete any acquisition or investment opportunities it may identify will depend on its ability to raise additional financing, as to which there can be no assurance. There can be no assurance that the Company will successfully identify, complete or integrate any future acquisition or investment, or that acquisitions or investments, if completed, will contribute favorably to its operations and future financial condition.

#### (2) Principles of Reporting

The condensed financial statements of the Company as of June 30, 2010 presented herein have been prepared by the Company and are unaudited. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary to present fairly the financial position as of June 30, 2010 and the results of operations and cash flows for all periods presented have been made. Results for the interim periods are not necessarily indicative of the results for the entire year.

These unaudited condensed financial statements should be read in conjunction with the audited financial statements and notes thereto for the year ended December 31, 2009 included in the Company’s Annual Report on Form 10-K filed with the Securities and Exchange Commission (Commission File No. 0001-22563).

**CDSI HOLDINGS INC.**

**NOTES TO CONDENSED FINANCIAL STATEMENTS – (Continued)  
(Unaudited)**

**Use of Estimates**

The preparation of the unaudited condensed financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the unaudited condensed financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Basis of Presentation**

Certain reclassifications have been made to the 2009 financial information to conform to the 2010 presentation.

**(2) Other Income**

The Company recorded other income of \$2,825 for the three and six months ended June 30, 2010 due to the recovery of unclaimed property.

**(3) Related Party Transactions**

There was a balance of \$37,500 and \$22,500 outstanding under the 11% Revolving Credit Promissory Note due 2012 (the “Revolver”) at June 30, 2010 and December 31, 2009, respectively. Interest expense on the Revolver was \$624 and \$1,245 for the three and six months ended June 30, 2010. Interest expense on the Revolver was \$277 and \$277 for the three and six months ended June 30, 2009.

**(4) Investments and Fair Value Measurements**

The Company’s population of recurring financial assets and liabilities subject to fair value measurements and the necessary disclosures consists of approximately \$7,096 of cash investments in a money market fund as of June 30, 2010 and December 31, 2009, respectively. The fair value determination of the money market fund is a Level 1 asset under the fair value authoritative guidance. The money market fund is invested in Treasury Funds with quoted prices in active markets.

**(5) Issuance of Common Stock**

On April 23, 2010, the Company entered into a stock purchase agreement pursuant to which the Company sold 150,000 shares of the Company’s common stock (the “Shares”) for an aggregate purchase price of \$15,000, or \$0.10 per Share. The Shares are restricted securities and no registration rights have been granted. The issuance of the Shares is exempt from the registration requirements under the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof, because the transaction does not involve a public offering.

### Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

#### Overview

We are a shell company as defined in Rule 12b-2 of the Securities Exchange Act of 1934 and hold limited amounts of cash. We intend to seek new business opportunities. As we have only limited cash resources, our ability to complete any acquisition or investment opportunities we may identify will depend on our ability to raise additional financing, as to which there can be no assurance. There can be no assurance that we will successfully identify, complete or integrate any future acquisition or investment, or that acquisitions or investments, if completed, will contribute favorably to our operations and future financial condition.

#### Recent Developments

*Sale of Equity Shares.* On April 23, 2010, we entered into a stock purchase agreement pursuant to which we sold 150,000 shares of our common stock for an aggregate purchase price of \$15,000, or \$0.10 per share. The shares are restricted securities and no registration rights have been granted. The issuance of the shares is exempt from the registration requirements under the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof, because the transaction does not involve a public offering.

#### Results of Operations

##### *Revenues*

We did not generate revenues from operations for the three and six months ended June 30, 2010 and 2009, respectively.

##### *Expenses*

Expenses associated with corporate activities were \$9,352 and \$17,270 for the three and six months ended June 30, 2010, as compared to \$8,773 and \$15,380 for the same periods in the prior year. The expenses were primarily associated with costs necessary to maintain a public company, which consist primarily of directors' fees, accounting fees, and stock transfer fees.

##### *Other income (expenses)*

Interest expense was \$624 and \$1,245 for the three and six months ended June 30, 2010 compared to interest expense of \$277 for the same periods in the prior year. The increase in interest expense is related to the revolving credit promissory note entered into in March 2009.

The recovery of unclaimed property relates to refunds receivable for unclaimed property in a state where we previously conducted business. In December 2009, we filed for refunds of approximately \$2,800 and in July 2010 were notified that the refund claims had been approved for payment.

## CDSI HOLDINGS INC.

### Liquidity and Capital Resources

At June 30, 2010, we had an accumulated deficit of approximately \$8.28 million. We have reported an operating loss in each of our fiscal quarters since inception and we expect to continue to incur operating losses in the immediate future. We have reduced operating expenses and are seeking acquisition and investment opportunities. No assurance can be given that we will not continue to incur operating losses.

We have limited available cash, limited cash flow, and limited liquid assets. We have not been able to generate sufficient cash from operations and, as a consequence, financing has been required to fund ongoing operations. Since completion of our initial public offering of our common stock (the "IPO") in May 1997, we have primarily financed our operations with the net proceeds of the IPO. The funds were used to complete the introduction of the PC411 Service over the Internet, to expand marketing, sales and advertising, to develop or acquire new services or databases, to acquire Controlled Distribution Systems, Inc. and for general corporate purposes.

Cash used for operations for the six months ended June 30, 2010 and 2009 was \$21,194 and \$20,379, respectively. The increase is associated with the timing of payments of accounts payable and accrued liabilities. We evaluate our accruals on a quarterly basis and makes adjustments when appropriate.

Cash provided from financing activities was \$30,000 and \$20,000 for the six months ended June 30, 2010 and 2009, respectively. In the first six months of 2010, cash provided from financing activities was from the proceeds from the sale of common stock of \$15,000 and borrowings under the revolving credit agreement of \$15,000. In the first six months of 2009, cash provided from financing activities was from borrowings under the revolving credit agreement of \$20,000.

We do not expect significant capital expenditures during the year ended December 31, 2010.

At June 30, 2010, we had cash and cash equivalents of \$17,810.

Inflation and changing prices had no material impact on revenues or the results of operations for the periods ended June 30, 2010 and 2009.

In March 2009, we entered into a revolving credit promissory note where our principal stockholder, Vector Group Ltd., has agreed to lend us \$50,000 to meet our liquidity requirements over the next twelve months. The facility bears interest at 11% per annum and is due on December 31, 2012. The facility had a balance of \$37,500 at June 30, 2010. Interest expense on the facility was \$624 and \$1,245 for the three and six months ended June 30, 2010, respectively. Interest expense on the facility was \$277 for the three and six months ended June 30, 2009, respectively.

Although there can be no assurance, we believe that we will be able to continue as a going concern for the next twelve months.

We or our affiliates, including Vector, may, from time to time, based upon present market conditions, purchase shares of our common stock in the open market or in privately negotiated transactions.

**CDSI HOLDINGS INC.**

**Special Note Regarding Forward-Looking Statements**

We and our representatives may from time to time make oral or written “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995 (the “Reform Act”), including any statements that may be contained in the foregoing “Management’s Discussion and Analysis of Financial Condition and Results of Operations”, in this report and in other filings with the Securities and Exchange Commission and in our reports to stockholders, which represent our expectations or beliefs with respect to future events and financial performance. These forward-looking statements are subject to certain risks and uncertainties and, in connection with the “safe-harbor” provisions of the Reform Act, we have identified under "Risk Factors" in Item 1 of our Form 10-K for the year ended December 31, 2009, filed with the Securities and Exchange Commission and in this section important factors that could cause actual results to differ materially from those contained in any forward-looking statements made by or on behalf of us.

Our plans and objectives are based, in part, on assumptions involving judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of ours. Although we believe that the assumptions underlying the forward-looking statements are reasonable, any of the assumptions could prove inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this report will prove to be accurate. In light of the significant uncertainties inherent in the forward-looking statements included herein, particularly in view of our limited operations, the inclusion of such information should not be regarded as a representation by us or any other person that the objectives and plans of ours will be achieved. Readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date on which such statements are made. We do not undertake to update any forward-looking statement that may be made from time to time on our behalf.

**CDSI HOLDINGS INC.**

**Item 3. CONTROLS AND PROCEDURES**

Under the supervision and with the participation of our management, including our principal executive officer and principal financial officer, we have evaluated the effectiveness of our disclosure controls and procedures as of the end of the period covered by this report, and, based on their evaluation, our principal executive officer and principal financial officer have concluded that these controls and procedures are effective.

There were no changes in our internal control over financial reporting during the period covered by this report that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
